OBJECTIVE

Aspiring Software Developer with hands-on experience in HTML, CSS, Python, basic JavaScript, and SQL. Seeking an opportunity to apply my programming skills and problem-solving mindset to contribute to real-world projects while continuously learning and growing in the software development field.”

EDUCATION

B.Tech in Computer Science and Engineering , SR University	2023-2027
Board of Intermediate Education , Alphores Junior College	2021 - 2023
Board of Secondary Education , Little Flower High School	2020-2021

SKILLS

Technical Skills	HTML, CSS, Python, JavaScript (Basics), SQL, C Programming
Soft Skills	Problem Solving, Communication, Team Collaboration, Time Management
Web Development Tools	VS Code, GitHub, Responsive Web Design, Debugging
Database Skills	MySQL basics, CRUD operations, Writing simple SQL queries
Areas of Interest	Frontend Development, Web Applications, Database Management, Software Development

PROJECTS

Bus Reservation System.

- Developed a responsive Bus Reservation System using HTML, CSS, and JavaScript allowing users to search buses, check seat availability, and book tickets.
- Implemented smooth UI/UX with easy navigation, validation, and booking confirmation for a hassle-free user experience.

Cartoonifying Image

- Created a Cartoonifying Image tool using Python and OpenCV to transform real photos into cartoon-style images with edge detection and filtering.
- Enhanced image quality using noise reduction and adaptive thresholding for smooth yet detailed cartoon effects.

EXTRA-CURRICULAR ACTIVITIES

- Participated in college coding contests and online hackathons, improving problem-solving and teamwork skills.
- Contributed to technical events and workshops as a volunteer, helping organize sessions and guide participants.

LEADERSHIP

- Led a team in a 12-hour college hackathon, coordinating workflow, assigning tasks, and ensuring smooth collaboration to build a functional project within the time limit.
- Served as team lead for academic projects, coordinating tasks, timelines, and collaboration among members. Assisted juniors in understanding programming fundamentals and guided them in project development.
